Silver Spurs, Jaipur

Landscaped with over 400 trees sprawling over 3.5 acres, Silver Spurs provides a breath of fresh air and a relaxing atmosphere with large lawns, handsome stables and an equestrian centre. The Silver Spurs Equestrian Stables is located 300 meters off the main Sirsi Highway, about 20kms from the Jaipur Airport, 12kms from the Jaipur Railway Station and 15kms from the city centre. Guests would enjoy a true 'home-stay' experience at Silver Spurs, which is geared to receive people from all walks of life ranging from tourists looking for good quality accommodation with serene surroundings and top of the line modern facilities to serious riders looking for dressage or show-jumping lessons.

The property features 5 well-appointed rooms with attached spacious en-suite bathrooms. Four of the rooms have a private balcony, while the fifth shares access to a large front terrace. Each suite has an individual roof with open air common terraces, very much like common courtyards but with plenty of elbow room. The dining room is inside the main house with a large bay window overlooking the lush green lawns. Riding lessons, intensive training programs for riders and horses, stabling facilities, leasing opportunities and most importantly a chance to own a fully trained horse is what they have on offer for you.

RIDING LESSONS

Silver Spurs believes in the theory of 'riding our dreams'. Whether you are a novice or an advanced rider competing at national or international levels Silver Spurs provides you an opportunity to enjoy the sport.

STABLING AND TRAINING

Silver Spurs trains horses for show-jumping, dressage and eventing. Stabling facilities are available for the horses whose owners wish to upgrade the horses' skill quotient. The owner gets free coaching whenever he wishes to ride. This facility is especially convenient for local or out-station riders.

LEASING

Silver Spurs leases out fully-trained horses for show-jumping and dressage events and competitions. The horses are leased on a per event basis for a particular show or competition. If you lease a horse for a year you can compete in any number of events during the year with the added advantage of individual training lessons, whenever you are in town.

BUY A HORSE

Looking for a trained horse to own and compete on? Check out the stables at Silver Spurs and you are sure to find one of your choice. There are trained horses aged 4 years and above performing at novice and advanced levels in show jumping, dressage and 3-day events. Each one has been selected with care and personally trained by the owner, who holds the distinction of riding competitively for the past 30 years in both national and international competitions in all three disciplines - show jumping, dressage and eventing.

COACHING CAMPS

Riding clubs and equestrian federations wishing to conduct coaching camps for competitions and training of young riders can hire the facilities available and benefit from advanced training lessons in an atmosphere conducive to learning.
