Coronavirus Update - 2

The death toll in China from the new coronavirus rose to 213 on January 30, 2020, as more countries announced plans to evacuate their citizens from Wuhan, the Chinese city at the centre of the outbreak.

There is speculation of cases in different countries including India but there are no confirmed cases by the medical authorities at present.

The first isolated suspected case in India of coronavirus was reported in the southern state of Kerala. The patient, a female student at Wuhan University in China is under observation. A health ministry official said that the patient is stable and that there is no need to panic.

As such we suggest that you look at reliable news sources for the latest updates globally. We will also continue to monitor the situation and update you as and when required.

At present the travel business in India, Nepal and Bhutan remains unaffected by this current epidemic and our guests continue to follow their scheduled itineraries.

We assure you of our continues support and your relationship managers remain available 24x7 to take your calls and assist you as required.
