Coronavirus Destination Update

NEPAL

The coronavirus case count in Nepal now stands at 99 cases, 22 recovered according to latest health ministry figures. No death is reported due to the virus across the country.

On May 6, the government of Nepal extended the nationwide lockdown till May18 and suspended international flights and cross-border movement until May 31 to stem the spread of coronavirus.

It is fair to say, we have been keeping busy. Most of us are continuing to work from home and spending time on scenario planning, webinars, trainings and capacity building to be ready when travel resumes.

We continue to monitor the situation and your relationship managers remain available 24x7 to take your calls and assist you as required.
