Coronavirus Destination Update

As countries gradually exit lockdown to reopen economies, the region is striving to find a balance to control the spread of coronavirus.

SRI LANKA

The Government of Sri Lanka has opened the doors to welcome tourist from 01 August 2020. Accordingly, International airports will resume operations. The new protocols for visa, arrival/departure & accommodation guidelines are announced.

With quick and proactive measures, the Island nation has been able to flatten the spread of the virus. No active community clusters have been detected in the last 30 days within the country.

The coronavirus case count in Sri Lanka now stands at 1924 cases, with 1397 recovered according to latest health ministry figures. 11 deaths are reported due to the virus.
