Coronavirus: Destination Updates

SRI LANKA

The Sri Lankan government is working on procedures to be implemented following the reopening of the Bandaranaike International Airport (BIA) for commercial purpose. The announcement of new date of the opening of the borders is speculated to be sometime in September with a short term action plan to revive tourism in the country.

The coronavirus case count in Sri Lanka stands at 3,111 cases with 2,883 (92.7%) recoveries according to latest health ministry figures. 12 (0.4%) deaths are reported due to the virus.
