

Coronavirus: Destination Updates as on 23 October 2020

NEPAL

Tourism Update: Nepal has officially delayed the resumption of regular tourism for international visitors until at least mid-November. The only exception to this will be granted to mountaineering expeditions and trekking that are allowed with effect from 17 October.

Statistics: The Corona virus case count in Nepal stands at 1,44,872 cases with 99,600 cases of recovery. 791 deaths reported as on 22 October.
