

Destination Updates as on 8 April 2022

BHUTAN

After a gap of over two years, Bhutan is one step closer to fully reopening its doors. The government has announced a reduction in the number of days of quarantine to 5 days for fully vaccinated travellers and 10 days for unvaccinated travelers from April 4th onwards.

Bhutan welcomed its first overseas group on April 2nd since the outbreak of pandemic. The group is undergoing a quarantine of 14 days before commencing their trip to Bhutan.
